

**Neles is now
part of Valmet**

Mission-critical
flow control solutions
for process industries

We are all about delivering reliable flow control performance

Neles is now part of Valmet. As Valmet's Flow Control Business Line, we are focused on delivering flow control solutions for the evolving process industries.

We draw on our long heritage, experience and knowhow to feed our ambition to continuously develop and innovate solutions that redefine how our customers experience reliable performance.

We ensure sustained performance, efficiency and reliability in industrial flow control applications through proven mission-critical technology and services.

A complete portfolio of flow control solutions from six world-renowned brands:

Neles™, Jamesbury™ and Neles™ Easyflow™, Stonel™, Valvcon™ and Flowrox™

Valves and valve automation

Valve controllers

- Valve controllers for control and on-off valves
